

Wrangler's Pride and Joy

Sirs:

I received my "FART MACHINE" LAST week and was delighted with the laughs it caused around my crazy cowboys! I would like some info on prices for 5-10-etc. of them.

I'll have to order some for the boys.

Also is it easy to replace the battery in the small hand held remote?? Send me some prices and info please.

Sincerely,
F. B. "Doc" Turner
